

【在黑夜】

迦南詩歌

在黑夜，我已看見黎明，
在黑夜，我已看見晨星，
在黑夜，我要向主昂首，
讚美的歌更加動聽。

在黑夜，花香更濃，
在黑夜，腳步更加堅定，
黑夜的路，已經沒有幾程，
你切記，務要為主盡忠。

【In the Dark Night】

Canaan Hymn

In the dark night, I have seen the light of dawn;
In the dark night, I have seen the morning star;
In the dark night, I will look up to the Lord;
The song of praise will sound triumphantly.

In the dark night, the flower's fragrance intensifies;
In the dark night, footsteps tread more steadily;
The journey of the night should not last too long;
Remember: Be loyal to the Lord!
