O Lord, I Praise You Canaan Hymn

O Lord, I praise You, because You have chosen me. In this sea of crowds, You searched for me.

O Lord, I praise You, for You first loved me.

Your love fills the entire universe and everywhere on earth.

Because of Your redeeming love, we can all be saved.

Your love compels us to live abundantly.

Who would not bow down and worship You!

Who would not praise You with music and dance!

Great is Your mercy, our Almighty God!

You are the one who exalted us from lowly dust.

No words can fully describe Your love!

No songs can fully proclaim Your justice!

We thank and praise You forever and ever.
