Every building is built on a foundation. Every person's life is built on a foundation. You are laying the foundation of your life NOW with every belief, attitude, and action. What is the foundation of your life? Will you build on shifting sand or solid rock? Do you ROCK? The world offers some cracked foundations. God offers the strongest foundation.

The messages are iROCK = i Rely On Christ the King, Be a Wise Guy/Gal, Practice Makes Perfect, and GPS: God's Positioning System.
